

The monthly update for NHS organisations in the West Midlands

Best wishes for Christmas and the New Year from all at WMQRS

Just Published!

Two sets of Quality Standards have just been published and are now available at www.wmqrns.nhs.uk

- Falls and Fragility Fractures Patient Pathway
- Eye Care Patient Pathway

Don't miss your chance to comment!

Draft Stroke and TIA Quality Standards: Based on Standards which were used for peer review visits of stroke services in 2010/11 but have now been revised to take account of later guidance and include rehabilitation of patients following a stroke.

Quality Standards Updates

Work has started on updating the Dementia Pathway Quality Standards.

Work on updating several other sets of Standards will start early in the New Year.

Coming in the New Year

Work has started on the Overview Reports summarising the findings and identifying comments themes from the following review programmes:

- Transfer from Acute Hospital Care and Intermediate Care
- Towards Children and Young People's Emotional Health and Well-being
- Theatres and Anaesthetics

Overview Reports recently published and available at www.wmqrns.nhs.uk :

- Care of Critically Ill and Critically Injured Children 2013-16
- London Renal Services 2016
- Care of People with Haemoglobin Disorders: 2014-16

Commissioned Reviews News

Isle of Man: WMQRS has been successful in its tender for the final year of the Isle of Man review programme. Work on planning the two remaining visits will start in December/January.

Walsall: Commissioned work for Walsall Healthcare NHS Trust is nearing completion. Reviews looking at Inpatient Care and Medicines Management; Emergency Department, Maternity and Paediatrics; Fractured Neck of Femur, Urology 'Referral to Treatment' and Respiratory Conditions Pathways took place between October and December using a range of review methodologies.
